Drama Production Is Big Success

PICTURE ON PAGE 2

Suspense absorbed the matinee audience of "The Two Mrs. Carrrolls" Wednesday afternoon in a successful first performance. Tom Rogers and Phyllis Williams, veterans of the Hartnell stage, carried the heavy weight of the gripping drama with the polish indicative of their experience.

As a unit the intense drama was well played; and, as is typical of Mr. Harold Ulrici's productions, the all-important element of timing was near perfect throughout.

Tom Rogers, as Geoffrey Carroll, leaves no doubt as to the temperament or philosophy of the selfish artist he portrayed. His assumption that "physical beauty is all that matters" brings him to eventually commit suicide in a dramatic conclusion. He and Miss Williams display their talents best in the difficult pantomime scenes in the second act.

Stan Lovett, another veteran, played his role of Dennis Pennington very creditably. Bonnie Pilliar's characterization of the French maid, Clemence, was excellent. The role of Mrs. Latham, while not a large part, had to be well done, and was, by Barbara Brem. Doctor Tuttle was consistently incompetent and slightly awkward as played by Roy Gibbs.

In the important role of Cecily Harden, the love interest, Gladys Fagundes didn't convey the feeling well at all times, but little was lost because of this. Jeanette Galt, although a bit weak and inconsistent, was convincing as Mrs. Harriet Updyke.

The final evening performance will be given in the Little Theater at 8:15 tonight.

Student Lounge Will Open Today

U.G.C. will sponsor the official opening of the Hartnell College student lounge today. Open house will start this morning and continue through the end of the day, although refreshments shall be served only in the afternoon. Cookies donated by women students and punch are to be distributed.

The second reception is tomorrow, Homecoming Day. Refreshments again will be served. A big welcome is offered to the alumni that afternoon.

Furnishing of the lounge, under the direction of Dr. Luella B. Hall, was completed early this week after a struggle of many weeks. The student lounge had a delay in completion due to the fact that not enough students showed up to work. Home furnishings classes offered a great deal of class time to help complete this project.

Co-operation in behavior and keeping the lounge clean is being asked of the students when in the lounge.

Send Grades to U.C.

Registration for the spring semester of University of California opens February 11, 1952. If preliminary transcripts are not filed, entrants will almost certainly be delayed in registering. The delay would be caused by the short period of time between the close of the fall semester and the opening of spring semester.

Final transcripts may be sent to the director of admissions of University of California at the end of fall semester.

Sophomore Class Elects Officers

Howard Tyler captured the sophomore class election last Friday, defeating Bob Callahan, Norman Weston, and Ray Blyed. Serving as vice-president will be Ken Kane who was victorious over Keith McIntosh and George Anderson.

Pat Temple defeated Carolyn Carlson for the secretary while Kathleen Jennings became treasurer over Wayne Savage. Interclub Council representative will be Bob Peavy who defeated John Lew.

The newly elected officers will guide the sophomore class activities during the school year. One of the outstanding activities of the class is the annual sophomore show held in the spring of the year.

Christmas Carol Roles Open

Mr. Harold H. Ulrici has announced that any and all persons of any and all ages from 14 on up the scale are invited to try out for roles in "The Christmas Carol," the next production on the Hartnell College drama schedule.

There is little time to think about trying out for the Christmas production because tryouts will be held Monday afternoon, and Monday evening, November 12, at 7 o'clock.

Since the rehearsals will be held in the evening it will be fairly convenient for adults, and those persons not attending Hartnell to rehearse without interfering with jobs, or other duties over the four-week period.

The play has many roles open, with an especially large number of men. Few of the roles are heavy ones, but they must all be filled. Anyone with dramatic aspirations is welcome to try out.

Queen To Be Named Here Tomorrow

Winner of Homecoming queen honors, for which balloting was held yesterday, will be announced tomorrow afternoon at the 2 o'clock coronation ceremonies in the men's gym. George Jackson, student body president, will reveal which of the five girls elected Monday, for the finals, will be the Hartnell College Homecoming Queen for 1951.

The four coeds not chosen to reign will serve as the queen's attendants for the day's festivities. In the finals yesterday were Mary Gray, Pat Hoffman, Ann Post, Rowena Regli, and Mary Jo Stout. The queen and her court will be conveyed around the high school stadium at halftime of the football game tomorrow night.

John Lew, Homecoming co-ordinator, has released a complete schedule of the open house activities, with the assistance of Ray Dyer and Dick Johnson. It is as follows:

At 1 o'clock buses will arrive, and the doors will be opened.

At 1:15 the 20-minute Ski Club movie will be held in Room 25.

At 2 o'clock the coronation of the queen will be held, and the Upsilon Gamma Chi will hold the reception in the student lounge immediately afterwards. All alumni should have registered either in the main office, or the lounge, by 3 o'clock.

At 3 o'clock the doors will be opened to the Little Theater, with the performance to begin at 3:15. All alumni will be admitted free to this presentation.

At 5:30 the annual Homecoming

dinner will be held at Berdell's, with Alumnus Willard T. Branson as M.C.

The football game will begin at 8 o'clock, and the dance will follow immediately, after which buses will leave.

Movies of Campus Being Taken Now

Movies of Hartnell College are being taken currently by Al Finley, a local photographer. During this week, Finley has been at the college taking outdoor color pictures of various campus scenes.

Pictures of the buses arriving at the college, views of the college buildings, outside pictures of the A. and M. campus, and action shots of the women's physical education classes were the subjects of the first of two weeks of filming.

Next week the photographer will work in the buildings, taking pictures of classes and student activities in action. The filming is being done under the auspices of the Board of Trustees of Hartnell College.

City Police Department Takes Classes Here

By JACK ALBERT

Every week a number of armed police officers from the Salinas city police department converge on the Hartnell College campus and head directly for the home economics living room in the west wing of the building. This apparently sinister visit from the police force is not for any infraction of the law by students but purely in the interests of education.

The peace officers gather in the home economics rooms once a week for a two-hour session in police instruction under the direction of

Lieut. Harold Duncan, in charge of the investigation and training division of the Salinas police department.

Police work and related subjects are the content of the required course being taught by Lieutenant Duncan and three other officers to the men of the city force. None of the Hartnell College faculty instructors participate in this educational function. The four officers who instruct the men were required to undergo a 60-hour instruction period in teacher training by the California State Department of Education.

More than 25 separate subjects are covered by this course in police work and relations. The California Penal Code, beat patrol, interrogation, department rules and regulations, jail procedure, and city ordinances are taught by Lieut. Earl Ashton. Lieutenant Ashton is in charge of the night detail at the city police station.

Each of the four police instructors specializes in a certain phase of police work and teaches this subject in addition to several other subjects integrated into his agenda.

Lieut. Harold Duncan instructs the patrolmen in public relations, firearms, and first aid. Sgt. Jack Wright teaches the handling of traffic problems and violations in connection with traffic regulations. Writing police reports and clerical work required of the police officers is taught by Sgt. Woodrow Meek.

The police course, which began last March, is the only one of its kind in Monterey County, reported Lieutenant Ashton. There are about six similar police schools in the state, he said.

The main purpose of the police

INTERWOVEN

Nancy Nutting to Wed

Nancy Nutting, Hartnell College student from 1947 to 1949, has announced her engagement to Stuart Miller of Santa Cruz and Redwood City. Wedding vows will be exchanged December 18 in the Sacred Heart Church of Salinas.

Nancy, who served on the Panther Sentinel staff, is now employed in the offices of her father, K. R. Nutting, Salinas produce dealer. Her fiancé is working in Redwood City.

school is to give rookie policemen and police reserves a basic background in police work and a better informed police force in general, said Lieutenant Duncan.

Block 'H' Elects Heads

At a recent Block "H" meeting new officers for the fall and spring semesters were elected. Bob Ballard was elected president; George Jackson, vice-president; Ken Kane, treasurer; and Dale Swire, secretary. Ray Dyer, who had been acting chancellor, was appointed Interclub Council representative.

ASB Budget Revised; Sports Take Cuts

A decided decrease in Hartnell College's student body income this year has necessitated cutting the budgets of many student activities. The largest decrease in income has resulted from lack of support of the football team. Estimated football income has been cut from \$7,650 to \$4,259.

As a result of the decrease in the football team's income, their award budget has been cut and the team will have to raise money for their award jackets themselves. The budget, before it was diminished, amounted to \$309.

Other budgets that have been done away with are baseball, basketball, and track award jacket budgets.

It also was necessary to make 10 per cent cuts in the following expenditures: associated student conference, baseball, drama, N.C.J.C. conference, tennis, track, and the student newspaper.

The total estimated income of the student body has been decreased from \$18,946 to \$16,594.50. Figured in the new income estimate is

\$1,398, which was given to the student body by the student store.

Budget conscious students had a temporary boost of morale early this week when it was erroneously announced that the amusement tax on student activities had been done away with by a new department of internal revenue law. There are still technicalities which are restraining action on the law.

According to President John Lemos, the law reads that secondary schools are included in the statute. The federal government, however, does not consider junior colleges secondary schools. California state law does consider J.C.'s to be secondary schools. The final word on the law must come from one of the offices of the bureau of internal revenue in California.

The southern district office has ruled in favor of the junior colleges but the northern office, located in San Francisco, has failed to make any comment because of the inquiry which is currently taking place there.

Last year the Hartnell College student body paid a total of \$2,456.56 to the federal government for entertainment tax.

Also, cuts have been made in the following accounts: the controller's account, which pays expenses for athletic events; the music department; school advertising; football programs; and other miscellaneous expenses.

Westminster To Elect Officers Wednesday

Westminster Club nominating committee has selected candidates for an election to be held Wednesday, November 14, in the home economics living room, at 12:10. Nominations include Tom Rogers for president, Wallace Lowry for vice-president, Betty Asperson for secretary, and Herb Jaenicke for treasurer. Further nominations will be accepted from the floor.

The program will include a report of the nominating committee and a ten-minute Bible study conducted by the Rev. M. L. Kemper

of the Salinas Presbyterian Church will conclude the business meeting. All Protestant students are invited to attend and bring sandwiches to the meeting. Homemade pie will be furnished by the nomination committee and hot coffee will be served.

Plans for the year are now being formulated. The organization is hopeful to obtain former Hollywood star, Colleen Townsend, as a lecturer.

Dues of 50 cents per semester are now payable.

Zoology Class Explores Rocks On Coast

Traveling to Pacific Grove recently were members of Mr. James Wilson's zoology 1A class who explored the rocky beach of the area to acquaint themselves with the various forms of plant and animal life.

Pacific Grove area is noted for the variety of life found in the rocky coastline waters. Life forms are stratified according to the time they may be exposed to the air, and Mr. Wilson stated that it was difficult to find a time when the tide was low enough to allow discovery of varied organisms.

Students were successful in locating several representatives of each stratification zone, but no collections were made. A followup trip to the Pacific Grove Museum, where a complete collection of life forms from the area may be seen, is planned for later in the year.

COLHECON PLANS FUTURE EVENTS

Iverne Henningsen conducted her first meeting as president of the Colhecon Club, October 25. The meeting took place in the Hartnell College living room. The major purpose of these meetings is to get the home economics girls better acquainted. The girls considered what should take place in the future meetings. Each member will bring a guest to the next meeting and the girls in the clothing class will model the skirts they have just completed. A committee of two girls was chosen to make plans for films which will be shown at the meetings this fall. The two girls are Edna Rasmussen and Faye Ikeda. Miss Novotny, club advisor, will order the pictures.

Others attending the meeting were Dorothy Hodge, Pauline March, Juanita Hunter, Joyce Hodge, Pat Hoffman, and Florence Hyde.

Hot gingerbread and milk were served with the compliments of the clothing class.

LEW ON KDON TODAY

John Lew, coordinator of homecoming, will be interviewed by Ralph Rowland on the Hartnell college radio program "Report on Hartnell," over KDON at 4:15 this afternoon. The subject, of course will be the open house festivities scheduled for tomorrow at the college.

Girls Practice Speedball For M.P.C. Game

Speedball practice is getting under way this week for the game to be played against Monterey Peninsula College. Girls who have signed up are: Ann Young, Betty Westphal, Frances Wong, Suzie Avizado, Jane Oka, Nancy Ochikure, Babette Gianinni, Jo Ann Valine, Ida Rubbo, Sumi Iwashige, Maryetta Lawson, Mary Florentin, Mary Manteufel, and Joyce Blasdel. No date has been set for the game.

The Hartnell representatives in the badminton tournament came through with no victories but got as far as the finals in the mixed doubles. East Contra Costa took the winning game in the finals. The tournament took place in San Mateo November 3.

The four making the trip were Ann Young, Betty Westphal, Rosalino Quemma, and Johnny Arreola.

La Reata Starts Production On 1952 Annual

A small but hard working La Reata staff needs the cooperation of the students of Hartnell college. Editor Phyllis Nutter has promised to recognize every active student and group on the campus in this year's annual.

The greatest need is for snap shots for the feature section of the book. Also students are urged to be prompt to their picture appointments.

Members of the La Reata staff are: Phyllis Nutter, editor; Bob Steinbach, sports editor; Rudy Sun, Peter Holm, Bob Moger, and Paul Parsons, photographers; and Rowena Regli, assistant editor.

Pledge cards will go on sale soon. The price for the annual this year will be \$2.50, \$1.00 down and \$1.50 upon delivery. The book will be delivered sometime early next June.

TOPS IN BOP

By JOAN and "BUBIE"

Hi, ya cats! We have more fine platters spinning around this week.

Louie Armstrong comes on great with "Give Me a Kiss to Build a Dream On." You can hear this number in his current film release, "The Strip."

A bit of the old is Bunny Berigan's instrumental "I Can't Get Started With You" and a bit of the new is "After Hours," by Sarah Vaughn.

On the dreamy side is "And So to Sleep Again," by April Stevens. Um Um?

In our cafeteria we have these discs that are going over great: "Wrappin' It Up," Benny Goodman.

"Deep Purple," Sarah Vaughn. "That's My Girl," Nat "King" Cole.

In our dedication department: "The Tinkle Song"—Marlene Waters.

"Hawaiian War Chant"—Marvin Ferrario.

"I Want to Be With You Always"—Bob Childs.

"The Yang Loo"—N. Obieze.

Any suggestions or dedications would be greatly appreciated.

"Like it's been with you," JOAN and "BUBIE"

Changes Made In Cafeteria Service

The café was transformed into a regular cafeteria last week. This change is hoped to cut down on overhead and to bring quicker and better service to the students. Students are being requested to form a line starting at the service counter. From there they will serve themselves. No personal service will be recognized at the eating counter.

Mainly, side orders will be served and hot and cold sandwiches, plus soup. Milk, ice cream and all the items will remain on the menu. Service will discontinue and doors will be locked after 4:15 p.m. The cafeteria will open at 7:30 a.m. as usual.

Because the café is operated for the interest of the students, constructive criticisms and opinions will be welcomed.

Remember, there shall be no service taken from the outside counter.

The construction work was done by the school district.

Piano Concert At High School

"A Young People's Concert," featuring Clara Dayton, pianist, will be presented in the Salinas Union High School Auditorium Saturday morning, November 17, at 10:30.

The program, the first of its kind in the area, will include selections by Mozart, Chopin, Debussy, Gershwin, and others. Tickets are 50 cents for students and \$1.20 for adults. They may be purchased from Mr. Lorell McCann of the Hartnell music department.

CAMPUSOLOGY

By RAJAH

A THOUGHT: In answer to the questions of various students concerning Item No. 1 in Campusology of November 2, the "musty smell in the hall," it must be said, largely emanates from the dead sowbugs raising a stink about being stepped on by the dainty feet of Lutz Graf zu Muenster.

Those crawling creatures have infested our campus to such an extent that our faithful custodian, "Tony," has to fight a whole army of them before he can enter the supply room. No spray of any sort will liquidate the wood louses. Nevertheless, for the benefit of some sensitive nostrilled students and faculty members, we must asked that Lutz and all other people please refrain from crushing the bugs inside the building. If they can't resist the temptation maybe they could ship their victims to the M.P.C. football team, so that the Lobos will really stink by the November 22 (Thanksgiving) game at Monterey!

IDIOT, IDIOT: Phyllis Nutter screams again! La Reata (that's our yearbook) wants to publish puh-lenty of student snaps in its pages this year. If you've got some clever candid shots of yourself or other Hartnell students (preferably others, she said as she looked at me) hustle to Room 9 with them before Editor Phyllis resigns (again?).

One bouquet of rajahs to Dr. B. L. Borough. One roomful of roses—or clothes—was the aim of the Canterbury Club last week as the Canterburyans piled old clothing into Room 6 for their first shipment of attire to aid the battle-torn Korean citizens across the sea. This is the humanitarian purpose of the group for 1951-52.

At least one student on campus, entirely independent of the Episcopalian group, has expressed the opinion that it is the only club on campus with a worthy aim. For this, much credit goes to the club advisor, and generally popular (except with certain cats), Doctor Borough, who instigated the idea in 1949.

WHAT A RACQUET: Ever watch the girls' tennis classes? Boy, those gals can sure educate you in the art of swing (with the racquet!). Of course, the hockey classes are a bit rougher, but you could be injured watching tennis if you got too close to one of those dangerous swings!

Hartnell - San Jose Homecoming Game Tomorrow

Spartababes Favored To Spear Annual Alumni Tilt

Old grads of Hartnell College will congregate in the Salinas Union High School Stadium tomorrow night to see their hapless Harts tangle with the intruding San Jose State Reserves.

Despite the Panthers' unimpressive record, a large throng is expected to be on hand for the annual homecoming fracas. Kickoff is scheduled for 8 p.m.

Ray Dyer Wins Cross-Country

Hartnell's fine endurance runner, Ray Dyer, took the role of the darkhorse last Saturday afternoon at Modesto by coasting in to a first place in the 2.4 mile Pirate cross-country course.

The two other Panther entrants, Carl Cookson and Bob Alioto, placed fifth and sixth, respectively. Dyer, who makes up for his small stature through his excellent conditioning and endurance capabilities, toured the distance in 12 minutes 42.5 seconds. The diminutive iron man finished the difficult course, a full 80 yards in front of Burt Cooper and Al Dunn, the favorites. Cooper, an Indian boy, and Dunn placed second and third, with Ed Tittle copping fourth.

The cross-country race was scheduled as a part of the Modesto Junior College Homecoming festivities.

Talent Assembly To Be Held Soon

Action is being taken by the newly-formed athletic awards committee to stage a talent show for the purpose of raising proceeds for an athletic awards fund. Head Coordinator Jess Regli revealed the committee's plan, voted at a recent meeting, to put on an excellent array of talent selected from Salinas and surrounding cities. This program was suggested as a possible solution to the financial difficulties being faced by the diminishing athletic fund.

Richard Cimino, former Hartnell dramatist and current television star, has graciously consented to M.C. the show, headed by the finest acts in the three surrounding counties.

This gigantic spectacle is scheduled for the evening of December 1, in the Salinas Union High School Auditorium. Tickets will go on sale in the near future at \$1 per adult and 50 cents for each child under 12 years of age.

The Spartababes, as the San Jose club has been tabbed, claims four ex-Panthers; They are Bob Roebuck, Fred Manteufel, Jack Ruiz, and Tony Moreno. Roebuck, "the Terror of Riker Street," was a tackle for the 1950 Harts. Manteufel starred here in '48 and '49 in the Panther backfield: He now plays first string defensive halfback for Coach Jim Wheelahan's Spartan junior varsity. Moreno and Ruiz are not starters but see their share of action.

The Reserves have a 2 win, 2 loss record. Stanford Braves whitewashed them 35-0. Fort Ord Warriors outclassed them 60-6 in a charity game, proceeds going to the Monterey Community Chest fund. However the army eleven is made up of former college and professional stars: therefore, the results of this game should be overlooked. The Spartababes then took the Moffett Field Navy into camp 26-13 in their first home game of the season. They continued their winning ways with a 13-6 upset win over the Santa Clara junior varsity, which holds a 21-20 victory over the strong Stanford Braves.

John Anastasia, formerly with M.P.C., and Steve Dufour, an ex-Watsonville Wildcat, played outstanding ball in that game. San Jose will be shooting for their third straight win here tomorrow and by all means are favorites to nail it down. However, the thin Panther squad will be giving its all to upset the Spartan chariot.

The Harts will be facing mostly freshman stars from Northern California high schools plus a few varsity reserves thrown in for experience.

Probable starting lineups:

Offense	Defense
Ends:	
Grant, Shannon	Ferrario, Adams
Tackles —	
Guilarte, Bertelli	Gularte, Burton
Guards:	
Brooks, Borges	Bowen, Froli
Center:	
Van Cleave	
Quarterback:	
Valli	

Members of the Hartnell football team are "warming the bench" while waiting their turns to donate blood last Monday at the Red Cross. The Panther footballers and coaching staff volunteered 100 per cent to give a pint of blood each to the fighting boys in Korea.

Around the Infield

The Hartnell Panther squad, from its original strength, has diminished to 28 men. Of these 28, five are on the injured list: Bob Heitzen, Earl Adams, Arnold Carrillo, Ernie Ferarrio, and Ed Branson. Several others have been playing with aggravating bruises and strains. No less than seven of these gridders have missed at least

Halfbacks: Carillo, Norman McWilliams
Benedetti, Frieble, Capanas
Fullback: Benedetti
Safety: Blair

one game.

Halfbacks Bud Stubbs and Don Ikeda are both out for the season with shoulder separations. Ikeda, speedy little 135 pounder, sustained his separation in scrimmage the Wednesday before the Contra Costa game. Ironically, nearly half of these injuries are occurring in intersquad scrimmages. Still these practice scrimmages are a most essential feature of a football team. And we wonder why coaches have grey hair!

Pigskin Picks: The sports department would like to stick its neck out by dashing out a few fast football predictions of games played around the country this week end.

We refuse to refund any money lost by backers of our choices.

California over Washington U., Southern California to the Rose Bowl over Stanford, U.C.L.A. over Oregon State, C.O.P. over Denver, Boston U. over Oregon, Washington State over Idaho, 49'ers over Yanks, Notre Dame over Michigan State (upset), Ohio State over Pittsburgh, Northwestern over Purdue, Illinois over Iowa, Texas over Baylor (?), Texas A. and M. over S.M.U., Kentucky over Tulane, Duke over Wake Forest, Arkansas over Rice, Colorado over Utah, Tennessee over Washington and Lee, Maryland over Navy, and Wisconsin over Pennsylvania.
